<p>Command <i>(reverse)</i> and then ends its turn. Halt. The target doesn't move and takes no actions. A flying creature stays aloft, provided that it is able to do so. If it must move to stay aloft, it flies the minimum distance needed to remain in the air. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can affect one additional creature for each slot level above 1st. The creatures must be within 30 feet of each other when you target them.</p>

You destroy up to 10 gallons of water in an open container within range. Alternatively, you destroy fog in a 30-foot cube within range. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you create or destroy 10 additional gallons of water, or the size of the cube increases by 5 feet, for each slot level above 1st.</p>	<p>Cure Wounds </p> <p>Cleric Level 1 Evocation DC 16 Spell Mod +8</p> <p>   </p> <p>A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d8 for each slot level above 1st.</p>	<p>Detect Evil and Good </p> <p>Cleric Level 1 Divination DC 16 Spell Mod +8</p> <p>   </p> <p>For the duration, you know if there is an aberration, celestial, elemental, fey, fiend, or undead within 30 feet of you, as well as where the creature is located. Similarly, you know if there is a place or object within 30 feet of you that has been magically consecrated or desecrated. The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.</p>
<p>Detect Magic (ritual) </p> <p>Cleric Level 1 Divination DC 16 Spell Mod +8</p> <p>   </p> <p>For the duration, you sense the presence of magic within 30 feet of you. If you sense magic in this way, you can use your action to see a faint aura around any visible creature or object in the area that bears magic, and you learn its school of magic, if any. The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.</p>	<p>Detect Poison and Disease (ritual) </p> <p>Cleric Level 1 Divination DC 16 Spell Mod +8</p> <p>   </p> <p>A yew leaf</p> <p>For the duration, you can sense the presence and location of poisons, poisonous creatures, and diseases within 30 feet of you. Otherwise, the extent of the illusion is up to you. The changes wrought by this spell fail to hold up to physical inspection. For example, if you use this spell to add a hat to your outfit, objects pass through the hat, and anyone who touches it would feel nothing or would feel your head and hair. <h3>Protection from Evil and Good</h3> <p>Cleric Level 1 Abjuration DC 16 Spell Mod +8</p> <p>1 Act. Touch V,S,M Conc, 10 mins</p> <p>Holy water or powdered silver and iron, which the spell consumes</p> <p>Until the spell ends, one willing creature you touch is protected against certain types of creatures: aberrations, celestials, elementals, fey, fiends, and undead. The protection grants several benefits. Creatures of those types have disadvantage on attack rolls against the target. The target also can't be charmed, frightened, or possessed by them. If the target is already charmed, frightened, or possessed by such a creature, the target has advantage on any new saving throw against the relevant effect.</p>	<h3>Purify Food and Drink (ritual)</h3> <p>Cleric Level 1 Transmutation DC 16 Spell Mod +8</p> <p>1 Act. 10 ft V,S Inst</p> <p>All nonmagical food and drink within a 5-foot-radius sphere centered on a point of your choice within range is purified and rendered free of poison and disease.</p>	<h3>Sanctuary</h3> <p>Cleric Level 1 Abjuration DC 16 Spell Mod +8</p> <p>1 B.A. 30 ft V,S,M 1 min</p> <p>A small silver mirror</p> <p>You ward a creature within range against attack. Until the spell ends, any creature who targets the warded creature with an attack or a harmful spell must first make a Wisdom saving throw. On a failed save, the creature must choose a new target or lose the attack or spell. This spell doesn't protect the warded creature from area effects, such as the explosion of a fireball. If the warded creature makes an attack or casts a spell that affects an enemy creature, this spell ends.</p>
<h3>Shield of Faith</h3> <p>Cleric Level 1 Abjuration DC 16 Spell Mod +8</p> <p>1 B.A. 60 ft V,S,M Conc, 10 mins</p> <p>A small parchment with a bit of holy text written on it</p> <p>A shimmering field appears and surrounds a creature of your choice within range, granting it a +2 bonus to AC for the duration.</p>	<h3>Aid</h3> <p>Cleric Level 2 Abjuration DC 16 Spell Mod +8</p> <p>1 Act. 30 ft V,S,M 8 hrs</p> <p>A tiny strip of white cloth</p> <p>Your spell bolsters your allies with toughness and resolve. Choose up to three creatures within range. Each target's hit point maximum and current hit points increase by 5 for the duration. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, a target's hit points increase by an additional 5 for each slot level above 2nd.</p>	<h3>Augury (ritual)</h3> <p>Cleric Level 2 Divination DC 16 Spell Mod +8</p> <p>1 min Self V,S,M Inst</p> <p>Specially marked sticks, bones, or similar tokens worth at least 25 gp</p> <p>By casting gem-inlaid sticks, rolling dragon bones, laying out ornate cards, or employing some other divining tool, you receive an omen from an otherworldly entity about the results of a specific course of action that you plan to take within the next 30 minutes. The GM chooses from the following possible omens: • Weal, for good results • Woe, for bad results • Weal and woe, for both good and bad results • Nothing, for results that aren't especially good or bad The spell doesn't take into account any possible circumstances that might change the outcome, such as the casting of additional spells or the loss or gain of a companion. If you cast the spell two or more times before completing your next long rest, there is a cumulative 25 percent chance for each casting after the first that you get a random reading. The GM makes this roll in secret.</p>
<h3>Blindness/Deafness</h3> <p>Cleric Level 2 Necromancy DC 16 Spell Mod +8</p> <p>1 Act. 30 ft V 1 min</p> <p>You can blind or deafen a foe. Choose one creature that you can see within range to make a Constitution saving throw. If it fails, the target is either blinded or deafened (your choice) for the duration. At the end of each of its turns, the target can make a Constitution saving throw. On a success, the spell ends. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.</p>	<h3>Calm Emotions</h3> <p>Cleric Level 2 Enchantment DC 16 Spell Mod +8</p> <p>1 Act. 60 ft V,S Conc, 1 min</p> <p>You attempt to suppress strong emotions in a group of people. Each humanoid in a 20-foot-radius sphere centered on a point you choose within range must make a Charisma saving throw; a creature can choose to fail this saving throw if it wishes. If a creature fails its saving throw, choose one of the following two effects. You can suppress any effect causing a target to be charmed or frightened. When this spell ends, any suppressed effect resumes, provided that its duration has not expired in the meantime. Alternatively, you can make a target indifferent about creatures of your choice that it is hostile toward. This indifference ends if the target is attacked or harmed by a spell or if it witnesses any of its friends being harmed. When the spell ends, the creature becomes hostile again, unless the GM rules otherwise.</p>	<h3>Continual Flame</h3> <p>Cleric Level 2 Evocation DC 16 Spell Mod +8</p> <p>1 Act. Touch V,S,M Until dispelled</p> <p>Ruby dust worth 50 gp, which the spell consumes</p> <p>A flame, equivalent in brightness to a torch, springs forth from an object that you touch. The effect looks like a regular flame, but it creates no heat and doesn't use oxygen. A continual flame can be covered or hidden but not smothered or quenched.</p>

Enhance Ability

Cleric Level 2 Transmutation DC 16 Spell Mod +8

1 Act. Touch V,S,M Conc, 1 hr.*Fur or a feather from a beast*

You touch a creature and bestow upon it a magical enhancement. Choose one of the following effects; the target gains that effect until the spell ends. Bear's Endurance. The target has advantage on Constitution checks. It also gains 2d6 temporary hit points, which are lost when the spell ends. Bull's Strength. The target has advantage on Strength checks, and his or her carrying capacity doubles. Cat's Grace. The target has advantage on Dexterity checks. It also doesn't take damage from falling 20 feet or less if it isn't incapacitated. Eagle's Splendor. The target has advantage on Charisma checks. Fox's Cunning. The target has advantage on Intelligence checks. Owl's Wisdom. The target has advantage on Wisdom checks. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each

Find Traps

Cleric Level 2 Divination DC 16 Spell Mod +8

1 Act. 120 ft V,S Inst

You sense the presence of any trap within range that is within line of sight. A trap, for the purpose of this spell, includes anything that would inflict a sudden or unexpected effect you consider harmful or undesirable, which was specifically intended as such by its creator. Thus, the spell would sense an area affected by the alarm spell, a glyph of warding, or a mechanical pit trap, but it would not reveal a natural weakness in the floor, an unstable ceiling, or a hidden sinkhole. This spell merely reveals that a trap is present. You don't learn the location of each trap, but you do learn the general nature of the danger posed by a trap you sense.

Gentle Repose (ritual)

Cleric Level 2 Necromancy DC 16 Spell Mod +8

1 Act. Touch V,S,M 10 days*A pinch of salt and one copper piece placed on each of the corpse's eyes, which must remain there for the duration*

You touch a corpse or other remains. For the duration, the target is protected from decay and can't become undead. The spell also effectively extends the time limit on raising the target from the dead, since days spent under the influence of this spell don't count against the time limit of spells such as raise dead.

Hold Person

Cleric Level 2 Enchantment DC 16 Spell Mod +8

1 Act. 60 ft V,S,M Conc, 1 min*A small, straight piece of iron*

Choose a humanoid that you can see within range. The target must succeed on a Wisdom saving throw or be paralyzed for the duration. At the end of each of its turns, the target can make another Wisdom saving throw. On a success, the spell ends on the target. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional humanoid for each slot level above 2nd. The humanoids must be within 30 feet of each other when you target them.

Lesser Restoration

Cleric Level 2 Abjuration DC 16 Spell Mod +8

1 Act. Touch V,S Inst

You touch a creature and can end either one disease or one condition afflicting it. The condition can be blinded, deafened, paralyzed, or poisoned.

Locate Object

Cleric Level 2 Divination DC 16 Spell Mod +8

1 Act. Self V,S,M Conc, 10 mins*A forked twig*

Describe or name an object that is familiar to you. You sense the direction to the object's location, as long as that object is within 1,000 feet of you. If the object is in motion, you know the direction of its movement. The spell can locate a specific object known to you, as long as you have seen it up close—within 30 feet—at least once. Alternatively, the spell can locate the nearest object of a particular kind, such as a certain kind of apparel, jewelry, furniture, tool, or weapon. This spell can't locate an object if any thickness of lead, even a thin sheet, blocks a direct path between you and the object.

Mirror Image

Cleric Level 2 Illusion DC 16 Spell Mod +8

1 Act. Self V,S 1 min

Three illusory duplicates of yourself appear in your space. Until the spell ends, the duplicates move with you and mimic your actions, shifting position so it's impossible to track which image is real. You can use your action to dismiss the illusory duplicates. Each time a creature targets you with an attack during the spell's duration, roll a d20 to determine whether the attack instead targets one of your duplicates. If you have three duplicates, you must roll a 6 or higher to change the attack's target to a duplicate. With two duplicates, you must roll an 8 or higher. With one duplicate, you must roll an 11 or higher. A duplicate's AC equals 10 + your Dexterity modifier. If an attack hits a duplicate, the duplicate is destroyed. A duplicate can be destroyed only by an attack that hits it. It ignores all other damage and effects. The spell ends when all

Pass without Trace

Cleric Level 2 Abjuration DC 16 Spell Mod +8

1 Act. Self V,S,M Conc, 1 hr*Ashes from a burned leaf of mistletoe and a sprig of spruce*

A veil of shadows and silence radiates from you, masking you and your companions from detection. For the duration, each creature you choose within 30 feet of you (including you) has a +10 bonus to Dexterity (Stealth) checks and can't be tracked except by magical means. A creature that receives this bonus leaves behind no tracks or other traces of its passage.

Prayer of Healing

Cleric Level 2 Evocation DC 16 Spell Mod +8

10 mins 30 ft V S Inst

Up to six creatures of your choice that you can see within range each regain hit points equal to 2d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the healing increases by 1d8 for each slot level above 2nd.

		Enhance Ability (reverse) slot level above 2nd.
		Mirror Image (reverse) three duplicates are destroyed. A creature is unaffected by this spell if it can't see, if it relies on senses other than sight, such as blindsight, or if it can perceive illusions as false, as with truesight.

<p>Protection from Poison </p> <p>Cleric Level 2 Abjuration DC 16 Spell Mod +8</p> <p>   </p> <p>You touch a creature. If it is poisoned, you neutralize the poison. If more than one poison afflicts the target, you neutralize one poison that you know is present, or you neutralize one at random. For the duration, the target has advantage on saving throws against being poisoned, and it has resistance to poison damage.</p>	<p>Silence (ritual) </p> <p>Cleric Level 2 Illusion DC 16 Spell Mod +8</p> <p>   </p> <p>For the duration, no sound can be created within or pass through a 20-foot-radius sphere centered on a point you choose within range. Any creature or object entirely inside the sphere is immune to thunder damage, and creatures are deafened while entirely inside it. Casting a spell that includes a verbal component is impossible there.</p>	<p>Spiritual Weapon </p> <p>Cleric Level 2 Abjuration DC 16 Spell Mod +8</p> <p></p>
<p>Warding Bond </p> <p>Cleric Level 2 Abjuration DC 16 Spell Mod +8</p> <p>   </p> <p><i>A pair of platinum rings worth at least 50 gp each, which you and the target must wear for the duration</i></p> <p>This spell wards a willing creature you touch and creates a mystic connection between you and the target until the spell ends. While the target is within 60 feet of you, it gains a +1 bonus to AC and saving throws, and it has resistance to all damage. Also, each time it takes damage, you take the same amount of damage. The spell ends if you drop to 0 hit points or if you and the target become separated by more than 60 feet. It also ends if the spell is cast again on either of the connected creatures. You can also dismiss the spell as an action.</p>	<p>Zone of Truth </p> <p>Cleric Level 2 Enchantment DC 16 Spell Mod +8</p> <p>   </p> <p>You create a magical zone that guards against deception in a 15-foot-radius sphere centered on a point of your choice within range. Until the spell ends, a creature that enters the spell's area for the first time on a turn or starts its turn there must make a Charisma saving throw. On a failed save, a creature can't speak a deliberate lie while in the radius. You know whether each creature succeeds or fails on its saving throw. An affected creature is aware of the spell and can thus avoid answering questions to which it would normally respond with a lie. Such a creature can be evasive in its answers as long as it remains within the boundaries of the truth.</p>	<p>Animate Dead </p> <p>Cleric Level 3 Necromancy DC 16 Spell Mod +8</p> <p>   </p> <p><i>A drop of blood, a piece of flesh, and a pinch of bone dust</i></p> <p>This spell creates an undead servant. Choose a pile of bones or a corpse of a Medium or Small humanoid within range. Your spell imbues the target with a foul mimicry of life, raising it as an undead creature. The target becomes a skeleton if you chose bones or a zombie if you chose a corpse (the GM has the creature's game statistics). On each of your turns, you can use a bonus action to mentally command any creature you made with this spell if the creature is within 60 feet of you (if you control multiple creatures, you can command any or all of them at the same time, issuing the same command to each one). You decide what action the creature will take and where it will move during its next turn, or you can issue a general command, such as to guard a particular chamber or corridor. If you issue no commands, the creature only defends itself </p>
<p>Beacon of Hope </p> <p>Cleric Level 3 Abjuration DC 16 Spell Mod +8</p> <p>   </p> <p>This spell bestows hope and vitality. Choose any number of creatures within range. For the duration, each target has advantage on Wisdom saving throws and death saving throws, and regains the maximum number of hit points possible from any healing.</p>	<p>Bestow Curse </p> <p>Cleric Level 3 Necromancy DC 16 Spell Mod +8</p> <p>   </p> <p>You touch a creature, and that creature must succeed on a Wisdom saving throw or become cursed for the duration of the spell. When you cast this spell, choose the nature of the curse from the following options: • Choose one ability score. While cursed, the target has disadvantage on ability checks and saving throws made with that ability score. • While cursed, the target has disadvantage on attack rolls against you. • While cursed, the target must make a Wisdom saving throw at the start of each of its turns. If it fails, it wastes its action that turn doing nothing. • While the target is cursed, your attacks and spells deal an extra 1d8 necrotic damage to the target. A remove curse spell ends this effect. At the GM's option, you may choose an alternative curse effect, but it should be no more powerful than those described above. The GM has final </p>	<p>Blink </p> <p>Cleric Level 3 Transmutation DC 16 Spell Mod +8</p> <p>   </p> <p>Roll a d20 at the end of each of your turns for the duration of the spell. On a roll of 11 or higher, you vanish from your current plane of existence and appear in the Ethereal Plane (the spell fails and the casting is wasted if you were already on that plane). At the start of your next turn, and when the spell ends if you are on the Ethereal Plane, you return to an unoccupied space of your choice that you can see within 10 feet of the space you vanished from. If no unoccupied space is available within that range, you appear in the nearest unoccupied space (chosen at random if more than one space is equally near). You can dismiss this spell as an action. While on the Ethereal Plane, you can see and hear the plane you originated from, which is cast in shades of gray, and you can't see anything there more than 60 feet away. You can only affect and be </p>

The creature is under your control for 24 hours, after which it stops obeying any command you've given it. To maintain control of the creature for another 24 hours, you must cast this spell on the creature again before the current 24-hour period ends. This use of the spell reasserts your control over up to four creatures you have animated with this spell, rather than animating a new one. At Higher Levels. When you cast this spell using a spell slot of 4th level or higher, you animate or reassert control over two additional undead creatures for each slot level above 3rd. Each of the creatures must come from a different corpse or pile of bones.</p>		
<p>Blink <i>(reverse)</i></p> <p>affected by other creatures on the Ethereal Plane. Creatures that aren't there can't perceive you or interact with you, unless they have the ability to do so.</p>	<p>Bestow Curse <i>(reverse)</i></p> <p>say on such a curse's effect. At Higher Levels. If you cast this spell using a spell slot of 4th level or higher, the duration is concentration, up to 10 minutes. If you use a spell slot of 5th level or higher, the duration is 8 hours. If you use a spell slot of 7th level or higher, the duration is 24 hours. If you use a 9th level spell slot, the spell lasts until it is dispelled. Using a spell slot of 5th level or higher grants a duration that doesn't require concentration.</p>

If you or creatures that are friendly to you are fighting it, it has advantage on the saving throw. While the target is charmed, you have a telepathic link with it as long as the two of you are on the same plane of existence. You can use this telepathic link to issue commands to the creature while you are conscious (no action required), which it does its best to obey. You can specify a simple and general course of action, such as "Attack that creature," "Run over there," or "Fetch that object." If the creature completes the order and doesn't receive further direction from you, it defends and preserves itself to the best of its ability. You can use your action to take total and precise control of the target. Until

You place a magical command on a creature that you can see within range, forcing it to carry out some service or refrain from some action or course of activity as you decide. If the creature can understand you, it must succeed on a Wisdom saving throw or become charmed by you for the duration. While the creature is charmed by you, it takes 5d10 psychic damage each time it acts in a manner directly counter to your instructions, but no more than once each day. A creature that can't understand you is unaffected by the spell. You can issue any command you choose, short of an activity that would result in certain death. Should you issue a suicidal command, the spell ends. You can end the spell early by using an action to dismiss it. A remove curse, greater restoration, or wish spell also ends it. At Higher Levels. First, celestials, elementals, fey, fiends, and undead can't enter the area, nor can such creatures charm, frighten, or possess creatures within it. Any creature charmed, frightened, or possessed by such a creature is no longer charmed, frightened, or possessed upon entering the area. You can exclude one or more of those types of creatures from this effect. Second, you can bind an extra effect to the area. The more information you already have about the thing, the more precise and detailed the information you receive is. The information you learn is accurate but might be couched in figurative language. On a failed save, the target becomes charmed by you for the duration. The charmed target is incapacitated and unaware of its surroundings, though it can still hear you. If it takes any damage or is targeted by another spell, this spell ends, and none of the target's memories are modified. While this charm lasts, you can affect the target's memory of an event that it experienced within the last 24 hours and that lasted no more than 10 minutes. At the completion of the casting, the target must make a Charisma saving throw. On a failed save, it is bound to serve you for the duration. If the creature was summoned or created by another spell, that spell's duration is extended to match the duration of this spell. You return a dead creature you touch to life, provided that it has been dead no longer than 10 days. If the creature's soul is both willing and at liberty to rejoin the body, the creature returns to life with 1 hit point. This spell also neutralizes any poisons and cures nonmagical diseases that affected the creature at the time it died. This spell doesn't, however, remove magical diseases, curses, or similar effects; if these aren't first removed prior to casting the spell, they take effect when the creature returns to life. The spell can't return an undead creature to life. This spell closes all mortal wounds, but it doesn't restore missing body parts. If the creature is lacking body parts or organs integral for its survival—its head, for instance—the spell automatically fails. Coming back from the dead is an ordeal. You must speak to the target to describe how its memories are affected, and it must be able to understand your language for the modified memories to take root. Its mind fills in any gaps in the details of your description. If the spell ends before you have finished describing the modified memories, the creature's memory isn't altered. Otherwise, the modified memories take hold when the spell ends. A modified memory doesn't necessarily affect how a creature behaves, particularly if the memory contradicts the creature's natural inclinations, alignment, or beliefs. An illogical modified memory, such as implanting a memory of how much the creature enjoyed dousing itself in acid, is dismissed, perhaps as a bad dream. The GM might deem a modified memory too nonsensical to affect a creature in a significant manner. A remove curse or greater restoration spell cast on the target restores the creature's true memory. At Higher Levels.
